- ZONING PERMIT APPLICATION PACKAGE (FOR SIGNAGE) -

Welcome to the
Office of Development and Planning of the City of New London!

This package will assist you in the permit process when applying for a Zoning Permit for **Signage** in the City of New London. Attached to this application package is a sign matrix which identifies the requirements for signage (number of signs, square footage, setbacks, etc) permitted in each of the Zoning Districts here in the City of New London. This matrix should be referenced as a guide only for what is permitted in the City's various zoning districts. Please refer to Section 615 of the City's Zoning Regulations for a comprehensive list of the sign regulations for the City of New London. If you need assistance in ascertaining the Zoning District for your property, please contact a staff member of the Planning, Zoning & Wetlands Division and they will be happy to provide you with that information.

In order to expedite the review process for your (sign) project we request that you please complete and submit the following to this office:

- (1) Complete the attached "Sign Permit Application Form" as completely and quickly as possible for **each** sign proposed. *Please ensure that the property owner of the subject property signs all application forms;*
- (2) Provide a color rendering of each of the proposed signs;
- (3) For Free Standing or Ground Signs, a plot plan illustrating location of the sign with setback as well as a landscaping plan for the base of the sign.
- (4) Provide the **\$25.00 application fee for each sign** proposed. This may be made by cash, check or money order. These may be made payable to, "the City of New London".

If you have any questions please don't hesitate to contact our staff by telephone or email.

Harry Smith	City Planner	(860) 437-6380	hsmith@ci.new-london.ct.us
Michelle Johnson	Zoning & Wetlands Enforcement Officer	(860) 437-6381	mjohnson@ci.new-london.ct.us
Shelly Briscoe	Administrative Assistant	(860) 437-6289	sbriscoe@ci.new-london.ct.us

Sincerely,

Michelle Johnson
Zoning & Wetlands Enforcement Officer
